

# Security Accelerate Program from Westcon Academy

*This program is setup for resellers who want to train their employees on multiple security vendors. The goal is to get more certified and capable people within their organisation.*

## How does it work

- A minimum mix of 3 courses need to be ordered
- The public Westcon agenda will be used to plan the courses or in agreement with the Westcon Academy
- The courses will take place at a Westcon location
- The courses need to be ordered on 1 purchase order
- The courses need to be planned within a period of 6 months after purchase

## Benefits Reseller

- Special high discounts
- Trainings are pre-planned

## Courses include

- Official course material for each student
- Access to our virtual labs
- Lunch & drinks when training is delivered at Westcon location

## Choose your option

- Option 1: Book 2-3 students and get **30%** discount
- Option 2: Book 4-5 students and get **35%** discount
- Option 3: Book 6-7 students and get **40%** discount
- Option 4: Book 8-12 students and get **45%** discount

**97%** of Westcon Academy students have rated our instructors as outstanding or good.
